Some people say that I have a shoe fetish, and I'm one of those people. I own several pairs of clear-soled stripper shoes and even bought a pair with a goldfish in the bowl to wear for my man's birthday fuck. But my favorite pair is a jet black leather set of thigh highs that look like pirate boots. They really turn the guys on when we fuck. If you like me in these boots, then watch my video. It's free.

It was on my 19th birthday that I had my first threeway. My boyfriend at the time asked me how I wanted to celebrate and I told him with a trip to Paris. We went to Paris and he had set up for a girl to meet us at our hotel room. I was a little surprised at that but he said that if he did that for me, I could do her for him. And I did, and we all did. Now that was a birthday poresent!

I'M A STRANGER IN HIS BED

We walked up the drive and into the house. It was already packed and I looked around to see who I knew. I was already turning some heads of the guys. I am a very shy person but love knowing someone thinks I look hot, and tonight I did. I spotted a couple of girls I knew and Brady saw some of the guys, so he asked if I was ok and off he went. I scanned the rooms I could see and noticed a few good-looking guys. This could be a good night after all. There were people walking round with drinks and a bar in the corner. I grab a smoking glass of something tasty and stood chatting with people at the bar. Then I decided I should go walk around to see what was going on. I met people I knew on the way and kept getting introduced to many new people. My butt was pinched a few times as I walked through the rooms. That made me smile. Then a guy, whom I was told was the host, caught my eye.

He was dressed in a black MIB suit with his skinny tie and sunglasses. Much younger than Tommy Lee. I saw a few couples getting heated up in corners of the rooms. He came over to me and asked for a dance. I looked him up and down and gave an aloof 'Okay.' After a couple of hours and several drinks, I was getting quite drunk.

That's when you walked over to me with a drink and we started talking and then danced to the music which had now changed to soft and gentle. I found myself telling you I was a bit woozy and you took my hand and walked me to the stairs. I was swaying a lot as I was now drunk. You moved me in front of you and I walked up the first few steps and then your hands came to my hips. I could feel you were a strong guy and your hands helped me up the stairs. You pointed to a room and your hands were now on my waist helping me walk into it.

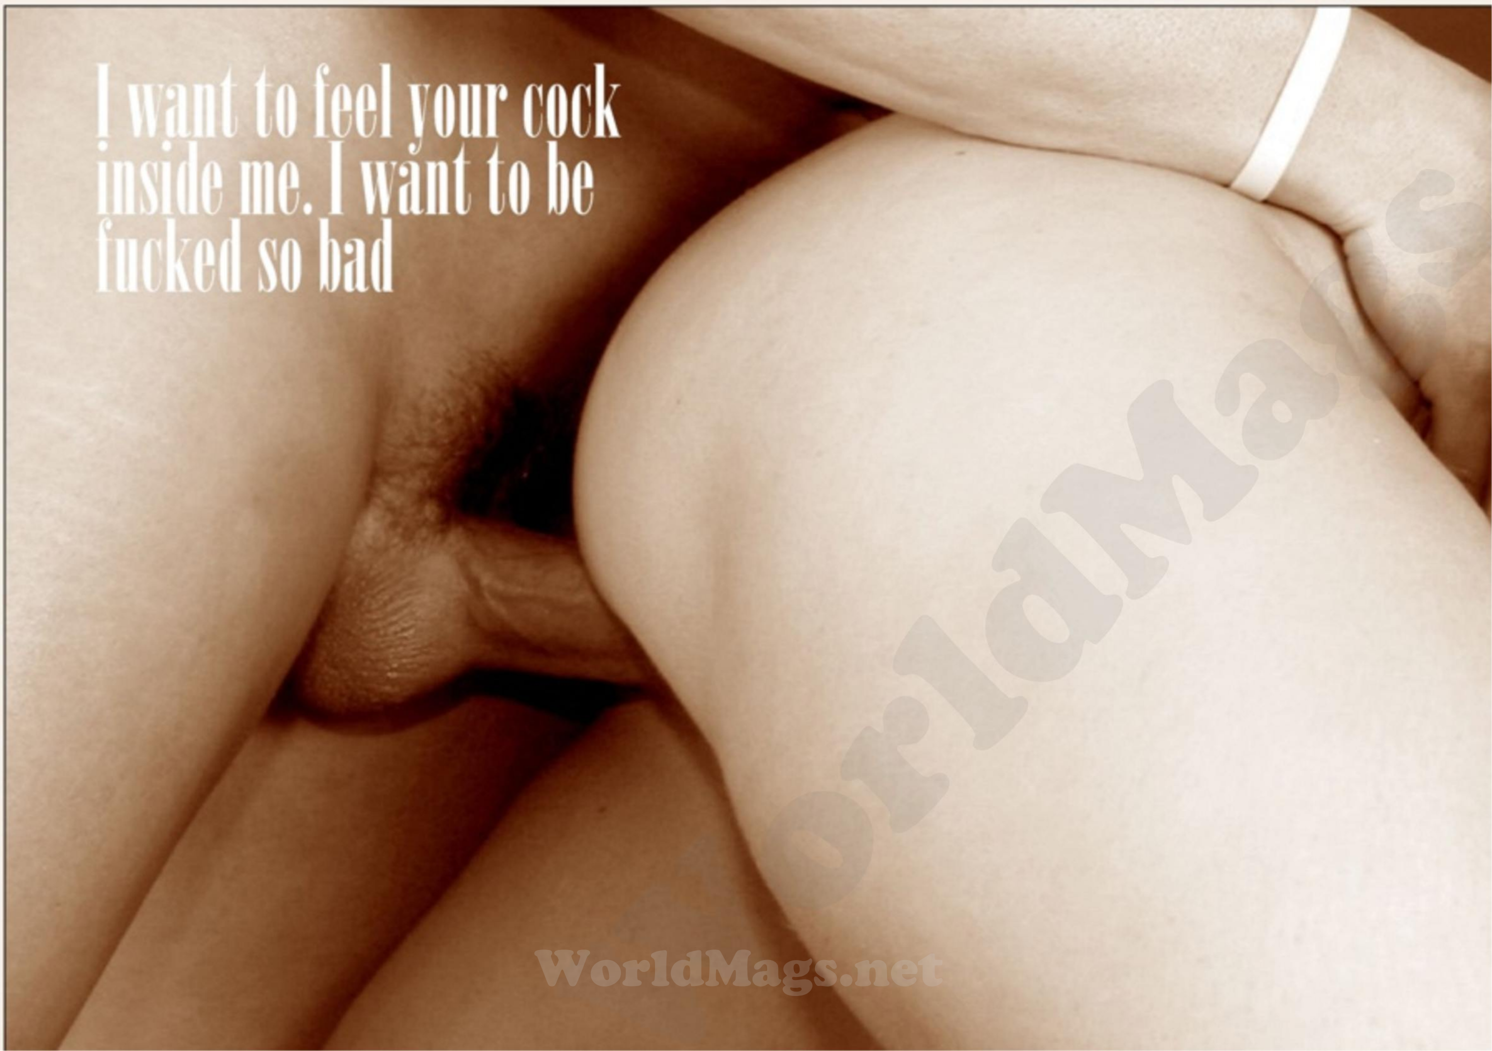
I walked in and right away you lean over and kiss me and tell me how sexy I look. I smile back, my breasts heaving inside my dress and you walk behind me and start kissing my neck. I lean my head over allowing you to kiss more of my neck. You're undoing my hair as you kiss me and it falls around my shoulders. I'm getting very aroused. Your hands come up and cup my breasts and I lean back on you. You can see right inside my dress and you want me. Your hands are undoing the zipper on the back on my dress and you pull it down. It falls to the floor and I step out of it and walk towards the bed. Your cock immediately stands at attention when you see my

Despite my young age, I have always been told that I have an old soul; although I know myself to also have a naturally youthful attitude toward life, and understanding of the absolute importance of joy. In this crazy world sometimes it is the most essential, and human of needs that are left by the wayside. Since I have a great passion and inner need to look after and care for people, I am determined to cater to all of these needs. This could be having an open ear for you, a gentle touch, sharing laughs, experience intimacy and providing genuine companionship. Help you to love yourself, make you feel at ease, relaxed, content and in general, just better for a while is what I like to do.

I enjoy maintaining a healthy lifestyle. Exercising regularly keeps my mind clear and my body fit and in an absolutely spectacular firm and sexy shape. I love to indulge from time to time with a gourmet dinner, fine wine and a piece of delicious dark chocolate cake. Life is a great gift filled with uncountable possibilities and the world is a place full of opportunities. Sexuality, sensuality and eroticism fascinates and attracts me. As in many areas of my life, I am in constant search for new challenges and experiences. Like the experience that happened last week to me that I want to share with you.

At the house, I got myself ready for a party that night. I live with a couple other women, and that makes the rent manageable for me. I put on my evening dress and it was perfect. I say to myself, 'I look great' and can't wait to get to the party. I put on the finishing touches, my perfume and grab my bag. I walked out into the living room and both my roomies smiled and said I looked great. We took a few selfies, drank some wine, and then the door bell rang. I went outside to my waiting ride. "I don't know if I'll be back tonight or in the morning." I say and disappeared out of the door.

Brady and I arrived at the party after a twenty minute drive. The mansion was big and spooky and the music could be heard outside. As we pulled up, I was really excited and this was perfect for a night out to treat myself. I felt good and sexy and it showed. I walk tall, and when you feel sexy, you act sexy without realizing it. Brady, my friend, helped me out of the car and told me I looked fantastic and he wished I was his date. I wasn't though and he knew it, I had always made it perfectly clear although he fancied me that he wasn't my kind of guy, but he always says he hopes one day my feelings will change. But I know he has his eye on one of the girls who's supposed to be at the party tonight. It was compulsory fancy dress so if you weren't dressed up you wouldn't get in.
Brady was dressed as an old school New York Yankee baseball player, Mickey Mantle, the famous #7.



I want to feel your cock inside me. I want to be fucked so bad

bask and body. I want sex. I want to be fucked and you want me. You come over and push my legs apart, stand between them, and lean down on me. You kiss me as your hands cup my breasts. They're full and sexy and you want to feel them. Now they are on full display as your mouth goes straight for my nipple, nibbling and sucking on it. I wrap my legs around your waist and I reach up to undo your shirt but you grab my hands and move them above my head. You kiss down my chest, over my belly and your hand reaches between my legs finding my pussy.

My hips are responding to your touch and my ass gently moves up and down. Your mouth has reached my pussy and you are licking me over my panties. Then your hands grab them and remove them as you push two fingers inside me. My hips are moving up and down now to your touch. I want to feel your cock inside me. I want to be fucked so bad. You see what I want and you just want to please me so you put your cock to my pussy I feel the tip at my opening and wrap my legs tighter so it pushes you inside me. You push deep and hard because you know I don't want a gentle fuck. I just want to feel you pounding my pussy. Now your cock is deep inside me pushing hard and deep. My breasts are bouncing as you reach up and grab one, pulling on my nipple, I'm moaning loudly now and you can see I'm cumming. I'm not a one orgasm woman though, and I want more

You pull me down the bed and raise my hips so you can reach my ass with your fingers. You find my hole and insert a finger inside me to see how I react. My face tells you I like it. You pull them out flip me over onto my belly pulling me up on all fours and dragging me to the edge of the bed. Again you push a finger into my butt hole and two inside my pussy and start finger fucking me. But I want your cock inside me fucking my ass.

You're not the kind of guy that needs telling twice and you pull out your finger and slap my butt cheeks a few times. You're looking down at my butt thinking how nice it looks so you put your cock to my anus. I move back on you feeling you enter me. It's tight and hot and you move gently at first. Then as you get further inside and I'm moaning like mad, you push further into me until I'm taking all your cock. I start to drop to my elbows but you grab my hair and pull me back up. Using my hair as leverage, you fuck me hard in my ass. Suddenly, you say you're going to cum and I'm screaming now with my head in the pillow. I scream for you to do it and I feel your hips moving faster. A few more pushes and you feel your balls tightening and then you shoot deep inside my ass shot after shot. I start moaning and screaming louder that I have to muffle myself in the pillow as I cum. Then you let go and I fall down to the bed and lay next to me. You pull a sheet to cover us as we drift off to sleep. **XTC**

Then as you get further inside and I'm moaning like mad, you push further into me until I'm taking all your cock

Yes, I said it. I'm only lonely with my man. I got with him thinking it would be fun and games, but after the fun ran out for him, he ran out of libido and he's now a sexual dud instead of a stud. I don't know if he's getting it on the side, but he's sure not getting it from me. So when I need my pussy fucked or a big cock in my ass, I just text my friend for a booty call and he cums over in a heartbeat.

Yes, I've been called exotic, but I prefer swapping the 'x' for an 'r' and call me erotic. I have to have plenty of sex to keep up looking good. It is the best form of exercise you can have. And as the doctor says, you should exercise at least three times a week. I try to maintain that erotic workout schedule weekly. Twice in one month I worked out twelve times in one week. And yes, lube helps

one handy?" I came up behind her and placed each palm on an ass cheek, fondling them. She turned and ripped the shirt off of me. I pulled her to me as her hands cupped my ass. One came round to find my already swelling cock, squeezing it rather hard. My hand found the zipper on her skirt, pulled it down and jerked it to her ankles. Ingrid kicked it off and to the side. I went to my knees as she held me by my hair on each side.

She had already dropped her top and I began to nip and bite lightly at her breasts, and then she pulled my face into her crotch. I could see her pussy lips were swollen already and oozing wet. My nose close, she smelled like sex, girly sex, all perfumed and fruity. I cupped her ass cheeks in both hands and raised her so my tongue could find her moist slit and her erect clitoris. Her groans gave her away as I sucked loudly at her entrance. I stiffened my tongue and tongue fucked her as I felt her first orgasm shake her body. I thought she would pull my hair out. Her thick fluids spurted all around my tongue and ran down the sides of her upper thighs. She came rather quickly, I thought.

Without hesitation I finished stripping her and myself as I pulled her to the table and whispered for her to bend over it. I went to my knees, my tongue played in her sweet spot again, sliding from clit to anus as she backed her ass into my face. Ingrid used her hands to spread her cheeks wider. I used two fingers to probe her tight, wet pussy as my tongue penetrated her anus. My fingers slid across her G-spot a few times more as she shook with another orgasm, this one being anal in origin spasming her sphincter around my stiff tongue. She had pulled my head so hard into her butt cheeks that I had to hold my breath through her second climax.

Her pink anal muscle gave way easily as I slipped my cock inside. Inch by slow inch I pushed inside letting my cock grow slowly while she adjusted to my size. I was in all but the last couple when she begged me to fuck her harder. Now I'm balls deep in her butt, pumping her hard until I withdrew all but the head, then slamming her ass again to the bottom, my bloated balls slapping her pussy and clit. I let her dictate the pace of the strokes, as well as the penetration. I could tell Ingrid loved this type of sex.

She was a natural, placing one knee up on the table to open herself even wider. My balls continued to slap at her clit. My strokes were fast and deep, as

RUB-A-DUB-DUB I MAKIN' YOU CUM

Mine is definitely one of the better jobs I've had. After years of drudgery on Madison Avenue, I ditched it all for a small place in the Virgin Islands and went to work for one of the resorts there. I took some classes and became accredited as a masseuse and went to work. I did both men and women as the schedule demanded, but my faves were the ladies. Sure there were some overweight and some uglies, but when a good-looking one came in, I was at me best. I especially liked the pretty ones that had spats with their men the day before. Revenge can be a very horny thing. Some fall asleep on my table and, well... you know.

Admittedly I have my favorites, and Ingrid is one of them. She's been to the resort three times this year, always with some new guy. I think she's an escort, but damn she is fucking hot. If I had the money, I'd bring her here, too. This last trip she must have decided I was good enough to eat. I try not to get sexually involved with my clients, but every once in a while... especially if she's the one coming on to me, then I just can't resist. Ingrid will come in usually wearing a small summer dress, sandals and sunglasses. Never have I seen panties in the changing area. Her medium brown hair looks much lighter on her tan skin.

Today, she's fifteen minutes late for her massage, but that's normal, actually that's early. She's all glammed up today. I've never seen her so made up and she looks really hot. "I played a lipstick lesbian today." she says when I ask her about all the glam. Her eyeliner and eyeshadow were a deep magenta which made her blue eyes stand out. She was wearing some gold lamé with those tall, clear stripper shoes. The top she wore did little to hide her full breasts. Her short gold mini skirt barely covered her crotch. She tells me her man friend had this fetish fantasy and that's why she's dressed like that.

She comes into the massage room and I have it smelling of lavender, her favorite. She drops her stuff in the corner and begins to strip naked. "Alex, honey, I had to fuck a couple girls today while my man watched and they got me so horny. What I missed is a nice big cock to play with. You got

She responded instantaneously as if to invite me in again

her gasps of breath and her trembling legs gave her away. She grabbed my ass cheeks hard as her butt hole gripped and released me several times to match her last strokes. She again came hard. As for my climax, it was just as intense, filling her ass to overflowing as she gave one last thrust and fell completely spent onto the table.

I helped her up to lie tummy down on the table, her face in the cradle. I lined six heated stones down her spine. While the heat soaked in, I let my open hands slide down her sides, my fingertips barely touching her skin. Her whole body was quickly covered in chill bumps. My hands were on her ass and all talking ceased as she groaned how good it felt. I lightly oiled them and made opposing circles on the cheeks, spreading her crease wide to gaze at her charms. Her anus winked at me, as it seemed to invite me back. I let an oiled finger drag slowly down to the center of it and teasingly poked her hole again. She responded instantaneously as if to invite me in again. It was extremely difficult but I held back hoping that I could revisit her ass later in the session.

Taking the stones off her, I instructed her to roll over and I started massaging her toes, then her feet and worked my way up her legs. I bent to lick and suck at her navel. My fingers still played with her clit even though she kept her thighs together. My middle finger slipped inside her tight folds, adding to her torment of pleasure. I slid a second finger inside her tight pussy while my other hand reached to pinch a nipple. Her body began to tremble. Just a little at first. Then she started biting her lip and tossing her head back and forth as if to be embarrassed to come a fourth time. She could not, or would not stop, it from happening. I pulled my soaked fingers from her pussy and began to slap my open hand on her labia firm enough to keep her cumming profusely. I told her to open her legs up as my hand continued to spank her all round her upper thighs and crotch. I slapped till both her upper inner thighs and labia were a bright shade of pink and her juices dripped onto the table.

She rested for a minute and then looked at the clock on the wall. Her session was over. She turned around fixed her hair and slowly put on her clothes as she looked at me watching her. Gathering up her bag from the corner, she thanked me and paid the hundred dollars I charge for the massage. "I'll be back in a few months, Alex. Please mark a date on your calendar for me." Absolutely, I will. **XTC**

Audrianna and Dahlia and Cindy, too

We had nothing to do on this fine afternoon until Cindy called and invited us over. She said she was feeling a little horny and wanted us to cum and play. Of course, we couldn't say no. Well, actually we could have said no, but then you wouldn't get a chance to see us fucking here or in our hot video.

Christina

Initially you may notice my girl-next-door charms but soon you will see that I am really a naturally flirtatious minx with an intoxicating positive personality, sumptuous body, and a contagious laugh, all wrapped up in my girl-next-door looks. But don't let that fool you. I'm as horny as they cum. I love giving blow jobs and am happy to do it without anything in return. But if I choose to fuck you too, you'll know you've been fucked good.
